Reminder

RE Form Procedure

We kindly remind you to submit your RE form signature pages (short form - 2 pages only) to the research office, at least 5 business days prior to the competition deadline. This provides us enough time to secure the signatures of both the School Director and VD Research. A summary of the research project and draft of the budget should accompany the signature pages, as we do not have access to the information included in the long RE form. **All documents can be sent to fssrecherche@uottawa.ca** For more information on the completion of the RE form please visit: [RE form](#)
