

BScNUT

Honours Bachelor in Nutrition Sciences

EMPLOYMENT RATE

93.2% - 96.6%

EXCEEDING PROVINCIAL AVERAGE

The Honours Bachelor in Nutrition Sciences is an accredited program recognized by the *Partnership for Dietetic Education and Practice (PDEP)* and prepares students for eligibility for registration with a provincial dietetics regulatory body. Upon receiving their degree, graduates are eligible to write the Canadian Dietetic Registration Examination.

Unique in Ontario, this four-year program is offered in French for bilingual students and includes hands-on learning through integrated practicum placements. It provides a stimulating learning environment with a team of dynamic professors actively engaged in research.

PRACTICUM PLACEMENTS

- Hospitals
- Community health centres
- Health Canada
- Long-term care centres
- Private clinics
- Public health agencies
- Sports centres
