If you have not heard yet, the Research Office is on Twitter ([@uOHealthRes](https://twitter.com/uOHealthRes) ); if you have an account, please let us know and be sure to follow us. We wish to use Twitter to not only announce funding opportunities but to also publicize researchers' publications, media appearances, prizes, and awards. Also, we will soon be restructuring the information on the research specific section of the Faculty website. Please take a minute to let us know if there is something you would like to see or certain links or information that you might like to have better faster access to. Please send ideas to fssrecherche@uottawa.ca. A final reminder that we are always here to help and answer questions. Please never hesitate to call, email us or join Microsoft Teams to chat with us.

All our best, *Manon & AnneMarie*
