Letter of intent

Name of candidate: _____

Your letter of intent should include an overview of:

- 1) Your interest in the program (why you chose this program).
- 2) Your research skills and experience to date relevant to the program and proposed research.
- 3) The area of research you will pursue and how this aligns with your supervisor's research program.

Please limit this description to a maximum of 1000 words. Once the form is filled out, you must upload it with your admission application via your uoZone account.
